Italian

Other languages

Level

Spanish

English

Listening		Reading		Speaking		Writing	
A1	Basic	A2	Basic	A1	Basic	A1	Basic
T.O.E.F.L.							

Social skills and competences

Excellent capacities of interacting with other people, thanks to various working and living experiences (I used to live for five years at "Mediterraneo University Centre" in Palermo; I organize intercultural exchanges between friends of different continents).

Organizational skills and competences

I'm a member of "Roma Club Palermo", managing the travels for the away-games by train, bus and plane in Italy and Europe; I used to be a volunteer in many Summer camps in Sicily.

Technical skills and competences

I learnt how to use the "AMIA" surveying and monitoring instruments developing my experimental thesis ("Atmospheric pollution in canyon streets. Effectiveness of the OSPM method"); I can project radiant, solar thermal and photovoltaic panels; I can use energetic and illuminotechnic simulation softwares, as Ecotect, Relux, Radiance, etc...

Computer skills and competences

Good knowledge of Windows, Linux and some of the most famous planning and rendering softwares as AutoCAD, CorelDRAW, Photoshop, SketcUp, etc...

Other skills and competences

I'm an agricultural entrepreneur since August, 2004, and I manage by myself my agricultural enterprise "Messina Antonio", concerning olive cultivations.

Driving licence

I have an International "B" Italian Driving Licence (for cars).

Additional information

In order to improve my English, I lived for three months in Scotland after my master degree, taking a course at Basil Paterson College in Edinburgh, and other three months in USA.
