HOBBIES & INTERESTS

- Cinema (detective movies, thriller, psychological, drama...)
- Reading (classic literature, fantasy, architecture magazines)
- Graphics (3D modeling and rendering of famous modern and contemporary architecture)

PROFILE

Determined and a go-getter kind of person. During my academic and working career, I developed a strong sense of organization, workload management and coordination of varying phases of design. Able to work both as a team player and independently, I am willing to grow professionally and do whatever it is expected from my role in order to enforce quality standards and achieve the objectives set.
